## League of Women Voters Has Meeting On Monday Night

The need of a Youth or Guidance Council for Hancock County was discussed at the meeting of the League of Women Voters Monday night. Mrs. C. C. McDonald, Sr., acted as co-ordinator of the discussion.

Mayor John A. Scaffie, Commissioners J. Cyril Glover and Warren Traub and Sheriff Sylvan J. Ladner, told of the need of a council in the past when children were in trouble.

This was the first in a series of meetings planned to study and discuss the needs of the community and possible solutions of some of the difficulties confronting officials. Mrs. R. N. Gray was put in charge of the study groups. It is hoped in the future that meetings will be held to delve deeper into these problems with others working with youth of the community. The duties of the council were not brought out in detail, but it was pointed out that a Council would be able to consult with parents and officials, to work with children in the hope of reaching some solutions to their problems and prevent many of the youth cases from becoming matters for the Sheriff to handle. The qualifications for a Council are set up by the Children's Code Commission.

Sheriff Ladner added that since his tenure of office started in January 1956, three of the 26 cases he has handled have been colored children; of the remaining 23 half were from other counties or states or transients.

**WAVELAND WANDERINGS**

by GEORGETTE B. HALL

The Bay-Waveland Garden Club had some beautiful and artistic flower arrangements at the flower show held at the Methodist Annex April 24-25. Many entries were displayed and judged. Those lucky winners from Waveland were Mr. Harold Hicks, two blue ribbons for a huge Poinsettia rose and a tallman rose; Mrs. Harold Hicks, a yellow ribbon for her beautiful Dutch iris; Mrs. A. J. Butz, three red ribbons, for her daisy lily, purple verbena and a cactus bowl; Mrs. Earl Gates, a blue ribbon and a silver coffee spoon, for arrangements of Miminy Cricket roses.

Mrs. L. A. Sauer was awarded two blue ribbons for purple verbena and cactus plant; also a yellow ribbon for a cactus plant. Mrs. Jos. E. Daly won a blue ribbon for a cactus bowl.

Mrs. M. W. Glossinger, took two blue ribbons for a cut purple tulip and a potted amaryllis which had eleven blooms. She also received a red ribbon for Crown of Thorns, and a yellow ribbon for a Christmas plant.

Mrs. Herbert Baron was the lucky winner of the Sweepstake Prize which was a beautiful silver tray.

Remember the story a couple of weeks ago when we told the story of poor little Jenny, the raccoon who was grieving because of death of her love, another raccoon named "Squeaky"? Jenny is the pet of Dr. Walter Hava. The call for a young raccoon to take "Squeaky's" place was placed in this column. The call was answered and a young male named "Eddie" is now enjoying his new home and getting acquainted with his future mate through a wire netting. Jenny "spite" at the new comer, but since true love has never run a completely smooth course, Dr. Hava is confident that Jenny will succumb to Eddie's raccoon charms and all will be happy again.

Happy birthday greetings to young Jeffrey Yarbrough, son of Mr. and Mrs. Walter Yarbrough, who celebrated his fourth birthday on April 24.

Best birthday wishes are extended also to pretty Cheryl Ann Mayer, daughter of Tech Sergeant and Mrs. Harry Mayer. Cheryl was six years old on Saturday. A delicious heart-shaped cake trimmed in blue and white, ice cream and punch were enjoyed by the happy guests. The party was held at the home of Cheryl's grandparents, Mr. and Mrs. Tony Bourgeois, Sr., on Market St. Wishing Cheryl the happiest returns of the day were Sam and Charlotte Piazza, Don Ladner, Aggie Bourgeois, Mickey McGill, Walter and Lauren Turcotte, Russell and George Thornington, Elaine and Gary Blaine, Georgeanna and Clair Kober, Stanley and Debbie Weidman, Margaret Neacise, and Mesdames Blaise, Thornington, Ladner, W. Turcotte, Jr., Piazza, and Mayer.

Mrs. Ollo Mollere and daughter, Gail, left by plane recently for New York where they were joined by Mrs. Mollere's mother, Mrs. C. Brune of Jacksonville, Fla. The threesome then left by plane for Germany where they were met by Mrs. Mollere's sister. Her husband is in the service and the family is stationed in Frankfurt, while in Europe. Mrs. Mollere and her traveling companions plan to visit Austria, Italy, France, and to climax the whole, wonderful trip—a visit to the Brussels World Fair.

Mrs. Leona Mitchell and Mrs. Jack Godano of New Orleans were week-end guests of Mr. and Mrs. Mel Villere and family.

Mrs. Thomas H. Quinlan of New Orleans spent a few days with her brother and his wife, Mr. and Mrs. George A. Fanning of Waveland. Mrs. George Fanning and her friends, a party of four, are now enroute to the Kentucky Derby.

Friends of Eddie Lulei will be glad to know that he is responding to treatment and is feeling better. Eddie is hospitalized in the Alexandria Veterans Hospital in Alexandria, La. He would appreciate a card or a note from his friends.

A church fair, proceeds from which will go into a building fund for a new Catholic church in Lakeshore, will be held June 14-15 at the church grounds. A building fund committee, headed by Leonard Lenoir, an architect and Mr. Elmer Rodgers, secretary and treasurer, was appointed.

Father Regis Dowd, pastor, asks that all members of the church cooperate to make the fair a success as the group has been authorized to contact everyone in the parish.

Any activity given for this fund will be handled through this committee.

John Mott, Howard Carter, have been fishing for some gold fishing time in some.

Elimination matches are now in progress in the annual Championship Golf Tournament at Pine Lake Golf Club for both the men and women in determining the club champions.

Flounders report they are getting flounders right along. They are coming in fine and spearing them is a lot of fun, all you need is a light, spear and the know how.

Joe Conforto who visits friends here, says he's not much on fishing—but can do justice to them at eating time. You will get yours yet, Joe.

August Bauxet and Alden Maufrey caught some real green trout up Jordan River Sunday afternoon.

Camino and Jerome Carver had nice catch of green trout last weekend.

**CELEBRATE ARMED FORCES DAY, MAY 17**

The Armed Forces of the United States will celebrate the sixth annual observance of Armed Forces Day on May 17. It is tradition that Armed Forces Day falls on the third Saturday of May. This year, military commands and communities will celebrate their programs during the period of May 10-18 to suit local conditions.

Armed Forces Day is the inspection day for Americans to inspect our facilities, equipment, and personnel. Every year the gates of all military facilities and installations, commensurate with adequate security measures, are thrown open to the general public to see special exhibits and demonstrations.

Armed services records show that the public has welcomed this annual opportunity to see their defense teams in operation and public participation has increased throughout the years. In

**CONTRACTS LET ON MISS. ROADS**

The State Highway Department has announced the awarding of \$3,117,168 in contracts for highway projects in 6 counties: Covington, Hinds, Madison, Humphreys, Lafayette and Bolivar.

**Scheme Or Device To Defeat Agreement**

Patrons taking part in the state's reserve program were reminded today that schemes or devices which tend to defeat the purpose of the reserve agreement may result in the loss of the entire agreement which would otherwise have been earned for "reserving" acreage under the plan.

In explaining this provision of the reserve program, Elmer Lee, Chairman of the Hancock County Agricultural Stabilization and Conservation Committee, cited an example of such a "scheme or device to defeat the purpose of the agreement."

"Such an instance would be where a producer with an acreage reserve agreement on one farm for a crop such as cotton knowingly produced cotton on another farm substantially in excess of the normal cotton acreage on that farm," the chairman declared.

For any of the spring-planted commodities covered by 1958 acreage reserve agreements—cotton and rice. Mr. Lee further explained, a producer will be considered to have "knowingly exceeded the normal acreage by a substantial amount if he exceeds by more than 10 percent the larger of (1) the allotment, or (2) the highest acreage devoted to the commodity on the farm in the year 1956 or 1957.

The chairman said that where there is any violation of an acreage reserve agreement, the producer may lose part or all of the compensation under the agreement, depending upon the kind and the extent of the violation.

**Remember One Of State's Greatest Problems**

The "living dead" among Mississippi's mental patients represent one of the greatest problems of the state's mental hospitals.

These are those patients who are extremely depressed, lacking in any hope, grey day follows grey in their clouded minds. Their monotonous routine is unbroken. Despair characterizes their attitude and actions.

Feeling utterly rejected, they force into silence, accepting, but not responding to, all efforts that are made by the hospital's staffs to restore them to health.

These are the "forgotten patients"—patients who have no contact with the outside world.

This Mississippi Association for Mental Health, recognizing the importance of having someone who cares communicate with every patient, has inaugurated a "Forgotten Patients" program.

The program aims at securing friends over the state who will remember with letters and small gifts those patients who have had no letters or visitors for six months or longer.

These include patients without families, those whose families have moved away and no longer communicate, and those whose only living relatives are too elderly or ill to visit or write to them.

Still in its infancy (launched in March 1958) the "Forgotten Patients" program is under the direction of Mrs. L. R. Freasier, Jackson, chairman. Her co-chairman is Mrs. Constance Mayeaux, also of Jackson. The parent committee hopes to organize over Mississippi a large number of sub-committees who will in turn secure friends to write to the "forgotten patients."

The correspondents may send
